## OCCULT EX LIBRIS

*Frech, [Karl Naughty] (1883-1945). While Frech's are probably the most notable Slovakian bookplates ever produced, they remain almost completely unstudied and unknown. Frech's bookplates received numerous commissions from many important figures of Bratislava (formerly Pressburg). Incredibly, in bookplate scholarship, Frech's name is virtually unrecorded.*

*Frech was born in Stuttgart, Germany. He studied lithography at G.F. Schreiber Art Institute in Esslingen, and between 1903 and 1905 he attended the Academy of Applied Arts in Stuttgart, where he later worked as an illustrator and graphic artist. In 1914 he married and moved to Bratislava (formerly Pressburger), where he spent most of his life. He made his living as a painter and a graphic artist; he was also member of the Pressburger Kunstverein. Although he contributed illustrations to the Pressburger Zeitung newspaper and numerous books, his ex libris designs are particularly prolific due to the occult and esoteric themes and unusual size. While bookplates are generally reflections of the unique eccentricities of collectors, the occult themes in the art are reflected of the Occult Revival and metaphysical interest in the Art Nouveau periods. There is scarce literature published in English to support any of Frech's individual interest in the occult, however, given the time period and clients, it is possible the commissions were specific. The symbolism in the bookplates range from esoteric, Hermeticism, Eastern philosophies, Mesmerism, and astrology.*

*Frech died on 27 July 1945 while trying to escape from a camp for displaced Germans near the Austrian town of Steyr. Sadly, many of the books in Dr. Faustus' personal library, assuming with his bookplates were looted and destroyed during World War II.*

Ansell, Robert. **The Bookplate Designs of Austin Osman Spare.** United Kingdom: The Bookplate Society in association with Keriwen Press, 1988. Limited Edition. Near fine copy in original laid paper pictorial wraps. This edition limited to 500 copies; 330 for the Bookplate Society, and 140 only for private circulation, hand numbered and signed by the author, this being copy 10. Small 8vo, 35 pages, illustrated. Near Fine in Wraps. Original Wraps. (#9752) \$275.00

*Austin Osman Spare – One of the most recognized occult artists who elicited emotion under the occult umbrella. In a purposeful way, he left a legacy of existentialism, perhaps the macabre, but more so rather appropriated his psychic and magical abilities to conjure thought-forms to visible and tangible appearances. In this case of [artist] designer and collector, he's pretty singular, in that he illustrated the proportion of the power of belief into the sigils, by revealing the clarity of the image, which it evokes. This attests to an unusual example of how invocation manifests into the physical and transferred to print, in this case bookplates. These bookplates were designed between 1904-1945, for such folks as journalist Dennis Bardens and patron Pickford Waller.*
